TRENT HESS OF BCF GROUP RECEIVES CRM DESIGNATION

LANCASTER, PA July 16, 2015 – BCF Group is pleased to announce that Trent Hess, CIC, CRM, Business Risk Manager, recently earned the Certified Risk Manager (CRM) designation from Certified Risk Managers International, a nonprofit organization founded by The National Alliance for Insurance Education & Research, nationally recognized as a premier source of insurance and risk management education.

The CRM designation required Hess to complete all five courses in the program, totaling 100 hours of classroom course work, and pass an extensive examination in each of the following subject areas: Principles of Risk Management, Analysis of Risk, Control of Risk, Financing of Risk, and Practice of Risk Management. The CRM Program features practical, “hands-on” course content, designed to be applied immediately to the risk manager’s daily work.

Hess is a Lancaster County resident and Millersville University graduate who has been with BCF Group since 2005. “Obtaining my CRM designation is an integral part of the expectations here at BCF Group and a way to continually enhance the guidance we provide to our clients,” said Hess.
